Fill A House Campaign Wraps Up with \$34,825 Donation and Thousands of Items for Local Families

Morinville, AB - December 15, 2025 - The annual Fill A House campaign, organized by Jandel Homes and Meadows of Morinville, wrapped up today with the presentation of a \$34,825 cheque to the Morinville Adopt a Family program, along with thousands of donated items collected throughout the holiday season.

This year's campaign resulted in the collection of:

- 498 food items
- 271 toiletries and clothing items
- 411 toys

Each Christmas season, Jandel Homes and Meadows of Morinville invite the community to help "fill" one of their show homes with donations. Items and funds are gathered through community drop-offs, corporate sponsorships and the campaign's annual cocktail reception and silent auction, which also help raise funds for the program.

Once the campaign concludes and all donations are received, a show home is filled from floor to ceiling and a formal cheque presentation is made to Morinville Adopt a Family, the campaign's long-standing beneficiary. From there, Morinville Adopt a Family begins the process of organizing and assembling customized holiday hampers for families and individuals in Morinville and Sturgeon County.

While Fill A House focuses on collecting donations and rallying community support, Morinville Adopt a Family leads the creation and distribution of the hampers. Each hamper is thoughtfully customized based on individual family requests, including specific toys for Christmas, dietary considerations, pet items and other essential needs, ensuring support is personal and meaningful.

Last year, Fill A House helped Morinville Adopt a Family create more than 100 customized hampers, and the partnership is expected to support even more families again this year.

"Fill A House wouldn't be possible without the generosity of our sponsors, volunteers, residents, and community partners," said Courtney Iverson, Corporate Services Manager with Jandel Homes. "This campaign truly reflects the spirit of giving that exists within our community."

The Fill A House campaign was launched in 2014 as a way for Jandel Homes and Meadows of Morinville to give back to the communities they build and serve. Since its inception, Fill A House has raised:

- \$199,000 in monetary donations
- 12,479 food items
- 1,102 toiletries and clothing items

- 5,821 toys

"We are incredibly proud of what Fill A House has grown into and the positive impact it continues to have each holiday season," Iverson added.

About Jandel Homes
